

Business Support on Your Doorstep

## Invitation Lunch Seminar

### The Enterprise Europe Network in the life sciences sector: What's in it for me?

Diepenbeek, 9th of September 2010, 12.00-14.00

LifeTechLimburg, Flanders Enterprise (AO), and the Institute for Science and Technology (IWT) kindly invite you for a lunch seminar on **Thursday 9th of September.**

This meeting will focus on the Enterprise Europe Network (E.E.N) and the possibilities of this network for you and your company in the sector of the life sciences.

#### The Enterprise Europe Network

E.E.N is an EU-funded network that aims to support SME's in Europe in their collaboration and innovation processes. It offers the following services through more than 600 contactpoints in 46 countries:

- Information on and support for doing business in Europe;
- Mediation of technological collaboration;
- Technology matching of supply and demand;
- Advice on participation in EU funded programs;

#### Programme

During this lunch seminar, specialists from Flanders Enterprise and IWT will focus on the benefits of this Network for your company:

- Matchmaking in the life sciences sector
- Success stories of this matchmaking
- Brokerage events f.e. MEDICA and BIOMEDICA
- Overview EU subsidies for life sciences

#### Location: Bioville (Agoralaan gebouw A bis, 3590 Diepenbeek)

Participation is for free but registration is necessary before 6th of September (Maria.sideras@uhasselt.be of 011/28 69 00)

A sandwich lunch will be offered to all participants
